A game that has grown in popularity in recent years is ROBLOX; that means plenty of memes to go along with the growing fan base. The best part about them is that they don't always have to make complete sense as that is the beauty of the game itself. Some poke fun at the game while others choose to laugh at the shenanigans that happen within it.

ROBLOX has come a long way from the clunky, blocky characters and difficult user interface of its past and now serves as a global gaming and game development and programming platform, with hundreds of thousands of games available from dedicated, young creators. While ROBLOX itself is free-to-play, and many games

don't require players to use real-world currency or the in-game ROBUX, some games include purchasable items, add-ons, and other microtransactions like game passes. For players who don't want to spend real money on such microtransactions, there is still so much great free content available.

ROBLOX Studios, the program used to create and program games in ROBLOX, features a simplified graphical interface, objects, and the ability to adjust the properties of everything in the game. This drastically lowers the barrier of entry and allows anyone to make their own games.

RB Battles are here with a season 2 event in ROBLOX. This guide will help players collect all of the active Resource Codes for December 2020. The RB Battles have existed since May 2020 and allow players to participate in a variety of mini-games against one another. Players are allowed to show their dominance by completing game modes like Ball Boop, Floopy Bird, Tiles, and Puzzle Peril. Upon completing these challenges and emerging victorious, the player will be rewarded (and earn some bragging right). The game is currently offering new codes for the month of December to claim to celebrate the RB Battles. This guide will provide all of the active codes for the month of December.

Another popular ROBLOX game, Theme Park Tycoon 2, takes a page from Rollercoaster Tycoon and Planet Coaster, allowing players to build and manage their own theme park. Players can construct rollercoasters and manage their park with friends. Developed by Den\_S, the game encourages socializing, cooperation, and making compromises. Once the park is built, players can invite other tycoons from the same server to hang out, ride the coasters, and even build their own attraction there.
