ROBLOX has been one of the most dominant and long-lasting titles on the internet. The game is more than just a single video game but rather a platform for creativity from its users. Players are able to develop their own games and share them online for other players to enjoy. Similar to titles like Minecraft and ROBLOX, players are given the tools they need to create almost anything they like. The game also features its own in-game economy, where players can design items or clothing to sell for ROBUX, the currency system in the game. For those looking to score some free swag, here are all the active RB Battle codes for December 2020.

Jailbreak is a popular ROBLOX game created by Badcc and Asimo3089 that is at its core a version of Cops and Robbers. Players can choose to be either criminals or law enforcement officers. The criminals begin in jail and can work together to plan and execute an escape, while the law enforcement officers try to stop them. Once the criminals escape, they can execute daring heists while the law enforcement officers continue to give chase.
