ROBLOX said that it now expects its direct listing to take place in March, rather than February as it indicated in a prior filing. ROBLOX had originally planned to go public through a traditional IPO in December, but it delayed its debut a first time and changed to a direct listing after Doordash and Airbnb priced their IPOs well below where the stocks opened.

When it comes to the world of ROBLOX, so many people are playing, but there is also so much going on. ROBLOX, for a start, is a platform full of games. Users can create games within the Studio, which are then published onto the platform. This means that there are tons and tons of games, many of which are in active development, that all can be played on. These games work on PC, phones, tablets and Xbox One, giving players a lot of options in the way they play.
