ROBLOX has been one of the most dominant and long-lasting titles on the internet. The game is more than just a single video game but rather a platform for creativity from its users. Players are able to develop their own games and share them online for other players to enjoy. Similar to titles like Minecraft and ROBLOX, players are given the tools they need to create almost anything they like. The game also features its own in-game economy, where players can design items or clothing to sell for ROBUX, the currency system in the game. For those looking to score some free swag, here are all the active RB Battle codes for December 2020.

ROBLOX is an amazing platform to learn, earn and play. It is not a single game but a platform to create different games and give those your name. Users can play their own created games as well as games created by others. ROBLOX came into the market in 2005, and by 2021 it has almost 1 million daily active users, so you can guess that the game is pretty good.

If you purchase ROBUX on ROBLOX itself, it will automatically be added to your account. If you have a gift card or promo code, you can redeem it through the redeem area of their website.

Are you a creative fashion fan? This might be a great way to earn free ROBUX if so. The ROBLOX marketplace allows you to design clothes using a variety of customizable tools, before selling them at whichever price you want.
