SAN MATEO, Calif.--(BUSINESS WIRE)--ROBLOX, a global online platform bringing more than 150 million people together through play, announced today the launch of its free curriculum on Digital Civility to foster positive, safe, and productive online experiences and discussions among students. The curriculum also includes a new ROBLOX game called Digital Safety Scavenger Hunt, which teaches users how to spot unreliable information and stay safe online. Both resources are designed to be used in conjunction and are meant to engage kids and teens who are going back to online learning this fall.

Simple yet terrifying, Anxiety simulates the experience of a panic attack for players. Anxiety is a psychological horror game experience created by Zoidberg656. In it, the player will wake up in a small bedroom. They can explore a large, dark house and have the ability to turn on lights and open doors. As the game progresses, players will experience simulated anxiety attack symptoms and an unsettling soundtrack. At the end of the experience, a note reminds players there are people who can help them overcome anxiety. The game is simple but an important way to explain mental health concerns to those who may have never experien.

RB Battles are here with a season 2 event in ROBLOX. This guide will help players collect all of the active Resource Codes for December 2020. The RB Battles have existed since May 2020 and allow players to participate in a variety of mini-games against one another. Players are allowed to show their dominance by completing game modes like Ball Boop, Floopy Bird, Tiles, and Puzzle Peril. Upon completing these challenges and emerging victorious, the player will be rewarded (and earn some bragging right). The game is currently offering new codes for the month of December to claim to celebrate the RB Battles. This guide will provide all of the active codes for the month of December.
