When playing ROBLOX, some games are identified as RPGs where you can hop into a scenario and take on a specific role with the help of your friends. One of these is called Koala Cafe where you can be a worker (once you complete training) or a customer.

ROBLOX has come a long way from the clunky, blocky characters and difficult user interface of its past and now serves as a global gaming and game development and programming platform, with hundreds of thousands of games available from dedicated, young creators. While ROBLOX itself is free-to-play, and many games don't require players to use real-world currency or the in-game ROBUX, some games include purchasable items, add-ons, and other microtransactions like game passes. For players who don't want to spend real money on such microtransactions, there is still so much great free content available.

ROBLOX has recently experienced a resurgence in the mainstream, with more than 160 million active monthly users. With so many different games available, new players or returners looking for a new challenge or experience may have trouble figuring out where to begin. Some of the best ROBLOX games take players to new worlds and allow them to exercise their creativity. These games are also highly replayable, offering a new experience every time for solo players or co-ops.
