Once you've created an account with ROBLOX, you'll be presented with a library of games that you can join. Each game will display its feedback rating along with the number of players signed up.

What makes this game unique is that this game doesn't have a predefined way to play. Rather than creating dedicated game modes that everyone signs in to play, ROBLOX puts the tools of creation in the players' hands. This lets the players come up with whatever they want.
