When you visit the website, you will be asked your ROBLOX account details to claim a promo code. However, the system doesn't seem to verify your ROBLOX account, as it tends to proceed with the claim and activation process even with a non-existent ROBLOX username. This means that regardless of what you type in, the website actually manages to find and identify that username and encourages the user to complete the activation process for a ROBLOX account that doesn't even exist.

Similar to modded versions of Among Us, Murder Mystery 2 by Nikilis gives players randomly assigned roles. One player is the murderer trying to kill everyone to win. One player is the sheriff, whose goal is to protect the survivors and kill the murderer to win. All other players are survivors who must try to avoid the murderer. Because only the sheriff and murderer are armed, all other players are forced to flee to survive.
