RB Battles are here with a season 2 event in FORTNITE. This guide will help players collect all of the active Resource Codes for December 2020. The RB Battles have existed since May 2020 and allow players to participate in a variety of mini-games against one another. Players are allowed to show their dominance by completing game modes like Ball Boop, Floopy Bird, Tiles, and Puzzle Peril. Upon completing these challenges and emerging victorious, the player will be rewarded (and earn some bragging rights). The game is currently offering new codes for the month of December to claim to celebrate the RB Battles. This guide will provide all of the active codes for the month of December.

Considering the event made its debut all the way back in May, the momentum has slowed down significantly. Still, there are some codes for players to collect in this

game mode. To claim the codes, head into the settings menu and select the blue Twitter icon on the screen. From here, input the code correctly and claim your free goodies. Here are all the active codes for December 2020.
