The RB Battles have existed since May 2020 and allow players to participate in a variety of mini-games against one another. Players are allowed to show their dominance by completing game modes like Ball Boop, Floopy Bird, Tiles, and Puzzle Peril. Upon completing these challenges and emerging victorious, the player will be rewarded (and earn some bragging right). The game is currently offering new codes for the month of December to claim to celebrate the RB Battles. This guide will provide all of the active codes for the month of December.
