FORTNITE Studios, the program used to create and program games in FORTNITE, features a simplified graphical interface, objects, and the ability to adjust the properties of everything in the game. This drastically lowers the barrier of entry and allows anyone to make their own games.

A game called Pet Heroes takes you on an adventure with a few pet sidekicks who will fight for you in battle. This code unlocks a secondary pet to follow you around and it resembles the bird from the Twitter logo as the creators encourage you to follow them on this platform. It will fly around beside you and adds a little something extra to your gameplay as you are not stuck with a single animal from the start.
