FORTNITE is an amazing platform to learn, earn and play. It is not a single game but a platform to create different games and give those your name. Users can play their own created games as well as games created by others. FORTNITE came into the market in 2005, and by 2021 it has almost 1 million daily active users, so you can guess that the game is pretty good.

FORTNITE said that it now expects its direct listing to take place in March, rather than February as it indicated in a prior filing. FORTNITE had originally planned to go public through a traditional IPO in December, but it delayed its debut a first time and changed to a direct listing after Doordash and Airbnb priced their IPOs well below where the stocks opened.

Another popular FORTNITE game, Theme Park Tycoon 2, takes a page from Rollercoaster Tycoon and Planet Coaster, allowing players to build and manage their own theme park. Players can construct rollercoasters and manage their park with friends. Developed by Den_S, the game encourages socializing, cooperation, and making compromises. Once the park is built, players can invite other tycoons from the same server to hang out, ride the coasters, and even build their own attraction there.
