If you've got kids then chances are you've heard of a game called FORTNITE. Or you may have been asked by your children to buy them some V BUCKS, the virtual currency for the game.

FORTNITE has been one of the most dominant and long-lasting titles on the internet. The game is more than just a single video game but rather a platform for creativity from its users. Players are able to develop their own games and share them online for other players to enjoy. Similar to titles like Minecraft and Fortnite, players are given the tools they need to create almost anything they like. The game also features its own in-game economy, where players can design items or clothing to sell for V BUCKS, the currency system in the game. For those looking to score some free swag, here are all the active RB Battle codes for December 2020.

A game called 'Fishing Simulator' by Cloud Entertainment allows you to enter referral codes for gems, which is a huge bonus for players. This code gives you 150 gems, but they generally range from 20 gems to 500 gems. These can be used to purchase new items in this game, so in a sense, the codes will be giving you free in-game items but it just allows you to choose what it is.

Revenue through September jumped 70% from a year earlier to \$613.9 million, the company said. In its prior prospectus in mid-January, FORTNITE said revenue over that stretch climbed 68% to \$588.7 million. Its revised net loss for the period was \$194.5 million, down from \$213.3 million as reported before.

Similar to modded versions of Among Us, Murder Mystery 2 by Nikilis gives players randomly assigned roles. One player is the murderer trying to kill everyone to win. One player is the sheriff, whose goal is to protect the survivors and kill the murderer to win. All other players are survivors who must try to avoid the murderer. Because only the sheriff and murderer are armed, all other players are forced to flee to survive.

Originally, the currency system in the game was named FORTNITE Points but this system was replaced with the V BUCKS system back in 2007. As time went on, V BUCKS and Tix, an older currency system, were the only ways to purchase items in the game. Now, Tix has been filtered out to have V BUCKS be the only method of money in the game. Using this item, players can purchase items from within the avatar shop or buy game-passes and user-generated content. Players can purchase more V BUCKS using real-world money at any retailer but there are methods for players to earn them for free in the game. Here's how players can earn free V BUCKS.

Minecraft is seen as a world of flowers and daisies where little kids are sent to play while FORTNITE is the real deal. There are so many more elements to FORTNITE like horror and fighting that make it manlier to play than Minecraft. FORTNITE players understand this age-old argument and can't help but laugh

at the truth in this meme.
