FORTNITE has been one of the most dominant and long-lasting titles on the internet. The game is more than just a single video game but rather a platform for creativity from its users. Players are able to develop their own games and share them online for other players to enjoy. Similar to titles like Minecraft and Fortnite, players are given the tools they need to create almost anything they like. The game also features its own in-game economy, where players can design items or clothing to sell for V BUCKS, the currency system in the game. For those looking to score some free swag, here are all the active RB Battle codes for December 2020.
