When you visit the website, you will be asked your FORTNITE account details to claim a promo code. However, the system doesn't seem to verify your FORTNITE account, as it tends to proceed with the claim and activation process even with a non-existent FORTNITE username. This means that regardless of what you type in, the website actually manages to find and identify that username and encourages the user to complete the activation process for a FORTNITE account that doesn't even exist.
