The curriculum launching today is designed to provide both educators and students with a self-paced, topic-specific narrative that will help build a generation of resilient digital citizens and ensure kids and teens have positive and safe online experiences.

It is claiming to offer you more than a thousand V BUCKS at a time by providing simple tasks.

Similar to modded versions of Among Us, Murder Mystery 2 by Nikilis gives players randomly assigned roles. One player is the murderer trying to kill everyone to win. One player is the sheriff, whose goal is to protect the survivors and kill the murderer to win. All other players are survivors who must try to avoid the murderer. Because only the sheriff and murderer are armed, all other players are forced to flee to survive.

This basic \$10 gift card gets you 800 V BUCKS to spend within the game and the Satisfied Seal backpack for free. Awesome. The user doesn't have to spend them right away, either.

Using this item, players can purchase items from within the avatar shop or buy game-passes and user-generated content. Players can purchase more V BUCKS using real-world money at any retailer but there are methods for players to earn them for free in the game. Here's how players can earn free V BUCKS.
