It is fairly common to see another player being a bit overdramatic, especially since the age range for this game varies so greatly. This meme is just one example of this as someone's avatar laying on the ground claims they are dying, but no one around seems to care.

FORTNITE has come a long way from the clunky, blocky characters and difficult user interface of its past and now serves as a global gaming and game development and programming platform, with hundreds of thousands of games available from dedicated, young creators. While FORTNITE itself is free-to-play, and many games don't require players to use real-world currency or the in-game V BUCKS, some games include purchasable items, add-ons, and other microtransactions like game passes. For players who don't want to spend real money on such microtransactions, there is still so much great free content available.

The most recent reports show that FORTNITE has a player count of roughly 150 million regular players, and it is the most popular game for gamers under the age of 13.
