Agenda 2063

Rwanda is among 31 African countries to have shared their first national progress report on Agenda 2063's first Ten-Year Implementation Plan. The first-ever continental report assesses progress made at the national, regional and continental levels towards achieving Africa's developmental goals. The report was launched at the 2020 January AU Summit by President of Côte d'Ivoire, Alassane Ouattara.

African Biosafety Network of Expertise

- » Establishment and strengthening of biosafety and security systems in 17 countries, including Rwanda.
- » In response to a request from the Government of Rwanda, technical input was provided towards finalising the biosafety policy document, the draft biosafety law and a number of biosafety regulations.

Home Grown School Feeding

- » Fight against malnutrition in schools through community-driven nutrition driven food supply.
- » 15 countries, including Rwanda, are implementing the Home- Grown School Feeding Programme.

Strengthening African Medical Health Regulation

- » Domestication of AU Model Law on Medical Products.
- » 28 countries, including Rwanda, are at different stages towards domesticating the AU Model Law on Medical Products.
- » 14 Member States are implementing the Model Law.

Vocational and Entrepreneurship

- » Training for women and youth employment.
- » Supported the integration and alignment of technical and vocational education and training (TVET) into national qualification frameworks in 15 countries, including Kenya.
- » Strengthened capacities of 12 CAADP ATVET countries, one of which is Kenya.
- » A toolkit on "Private Sector Engagement in ATVET" was developed.

Corridor investment plans for Programme for Infrastructure Development (PIDA)

A corridor development investment plan (CDIP) and marketing plan were drafted to develop and implement selected PIDA priority projects in Transport, Energy, Transboundary Water, and Telecommunication and IT.

Job creation toolkit for infrastructure projects

The PIDA job creation toolkit was launched. The toolkit estimates, amongst others, direct, indirect and induced jobs in job years during the preparation, construction and O&M phase.

Move Africa

- » Addressing challenges pertaining to transboundary trade and logistical challenges.
- » Focus was placed on creating synergies between RECs in the roll-out of the Traffic Light System (TLS), which is a benchmarking tool to measure performance of joint and one-stop border posts. To-date, the TLS has been rolled out in select countries in EAC, one of which is Rwanda.

Policy and regulatory frameworks for PIDA projects

- » 21 countries, including Rwanda, were trained on water governance and international law with regards to transboundary waters in Africa.
- » The status of cyber security was assessed in 13 countries, including Rwanda

Presidential Infrastructure Champion Initiative (PICI)

To-date, 12 African Heads of State and Government (including the Head of State of Rwanda) are championing cross-border infrastructure projects. Membership is increasing over time, reflecting the unequivocal commitment of African leaders to significantly upscale infrastructure across the continent.

Climate Change Responses

The Gender Climate and Agriculture nexus project was implemented in five initial countries, including Rwanda, which resulted in the mainstreaming of climate-smart agriculture practices and the development of CSA infrastructure.

Sustainable Land Management

- » Nature-based solutions for development and implementation of the African Forest Landscape Restoration Initiative.
- » 26 Countries, including Rwanda, pledged to restore 125 million hectares to reduce land degradation and desertification; create sustainable jobs; and improve food security and resilient communities.

Rwanda on Implementation of Agenda 2063

Performance Assessment

Areas where significant progress has been made

31%

Unemployment rates were reduced below the 2019 target by 31%; among the youth, 81% of the target was achieved

Proportion of households and the population with access to electricity and internet respectively increased

Maternal mortality ratio and new HIV infections were reduced below the 2019 targets

Areas where progress has been slow

7%

7% of the 2019 target of total tax revenue as a % of GDP was realised

Percentage of ICT contribution to GDP fell far below the 2019 target

Percentage of agricultural land placed under sustainable land management practice

Areas of Support to Accelerate implementation of Agenda 2063

- Increasing the % of terrestrial and inland water areas preserved
- Increasing agriculture total factor productivity
- Improving pre-primary and secondary school enrolment rates
- Increasing manufacturing value added as % of GDP
- Resources raised through innovative financing mechanisms as a % of national budget
