DRAFT AGENDA

Training of Trainers Seminar on One Stop Border Post Design and Operations

Day1: 28 July 2021 from 10h00-12h00 SAST (GMT+2)

Day2: 29 July 2021 from 10h00-12h00 SAST (GMT+2)
Zoom Virtual Meeting

In pursuit to enhance, access to market, inter/intra-Africa trade and capacity to implement the AfCFTA, AUDA-NEPAD has taken the lead in promoting OSBP Source book and supporting RECs, Member States and other key stakeholders in the OSBP development. This has been done by way of holding knowledge sharing seminars that will improve border control through seamless processes and systems of border control by authorities from both countries thereby enhancing and boosting trade in the region to increase the capability of member states handling increased trade volumes in readiness for the AfCFTA Operationalisation. So far, these seminars have been held in East, South and West/Central Africa regions. The objective of the Training of trainers Seminar on OSBP is to train and inform stakeholders on the architectural design and construction of the OSBP facilities from the key findings of Manyovu / Mugina OSBP. This is also an opportunity where participants can be discussed OSBP operational and procedural elements in align with AfCFTA and COVID-19 pandemic.

Day1: 28 July 2021

Moderator

Chipiliro Saka, Finance and Procurement Assistant, AUDA-NEPAD

10:00-10:30

10:40-11:30

Session1: Training of trainers – Architectural design and construction of the OSBP

What criteria and consideration in architectural design of the OSBP can be addressed in enhancing border efficiency and streamlining procedures?

Moderator

Hosea Nyangweso, Principal Civil Engineer, EAC Secretariat

Presentation

Peter Magambo, EAC Secretariat

Tutu Kagga, EAC Secretariat

John Matovu, EAC Secretariat

11:30-11:50

Questions and Answers

11:50-12:00

Wrap-up and announce the Day2 seminar

Junpei Sunahara, Infrastructure Advisor, AUDA-NEPAD

Day2: 29 July 2021

10:00-10:40

Session2: The role of OSBP- What can OSBP do in light of AfCFTA and COVID-19

This session will discuss the OSBP operational and procedural elements needed to foster health protocol in light with COVID-19, and to response increased cross-border trade volumes by the AfCFTA operationalisation. Speakers will address how the health protocol can be mainstreamed within the OSBP functions and boarder procedures, and how operational and technical elements of the OSBP support better streamlining procedures.
